

Peirspeed/TGB Road-Side Assistance Program

All Peirspeed and TGB Scooter's Now Come Free Roadside Assistance for 2 Years

Kennesaw, GA, February 22, 2007 – Cobra Powersports, the US Distributor of TGB scooters, announced that TGB scooters will come with free roadside assistance for 2 years. This innovative new roadside assistance program to be included in all **2007 model year and newer TGB scooter warranties activated as of January 1, 2007.**

On the open road, there are few guarantees. That's why Cobra offers one of the most flexible roadside assistance programs in the industry. With coverage for whom ever is riding, unlimited service calls and no dollar or mileage limits on towing to our nearest authorized repair facility, our service is second to none. The Cobra Powersports / TGB Roadside Assistance Program is administered by Roadside Protect, with a service network powered by Signature Nationwide Auto Club, a General Electric business.

Robert Bates, General Manager of Cobra Powersports says, "We appreciate our dealers and our consumers, and strive to give TGB scooters the most value added of any product in the market. This is our way of saying thank you for buying TGB scooters and making us one of the top brands in the United States!"

The Cobra Powersports / TGB Roadside Assistance Program offers a roadside safety solution that is unlike any other traditional roadside program. Because Cobra's Roadside Assistance Program is attached to the scooter, anyone riding is covered. Mr. Bates adds, "Unlike many traditional roadside assistance programs, our roadside program is included at no additional charge with the purchase of your TGB scooter."

Cobra Powersports is proud to offer the following included roadside services:

- Vehicle Jump Start
- Fuel Delivery
- Tire Air Delivery
- Winching

With more and more scooters on the road day and night it is reassuring to know that services are available 24 hours a day 7 days a week. Owners who have purchased a **2007 model year or newer TGB scooter and registered the scooter with Cobra Powersports' Warranty Department after January 1, 2007** may contact this service via the toll-free number

866-774-3077.

Roadside Protect utilizes the Signature Nationwide Auto Club Network, a division of General Electric, which is a broad network of contracted, insured service providers throughout the US, Canada, and Puerto Rico to handle all types roadside disablement services. Utilizing an intelligent locator system, Roadside Protect has the ability to pair a disabled scooters with the closest service provider based on key criteria such as shortest estimated time of arrival (ETA) or towing requirements, ensuring total customer satisfaction.
